Hi Jeanne & Dave,

Would CM O'Farrell be interested and/or available in presenting to CCA's Housing and Land Use Committee on 5/20 from 8:30-9:30am regarding the Value Capture motion (CF 14-1325)?

It would be great to have him give a 10-15 minute overview of what the general thinking is then take questions and hear ideas from members.

Please let me know.

Thank you, Marie

Hi Dave,

Attached is the meeting agenda. If CM O'Farrell could arrive by 8:30am that would be great. The meeting will end at 9:30am.

There is parking under the building that we can validate.

Hi Jeanne &amp; Dave,

Would Councilmember O'Farrell be interested/available to speak at CCA's executive committee on 11/5? The meeting is from 11:30am-1:30pm and will take place at Loyola Law School. It would be ideal to have him there from noon to 1pm.

The general program is he would speak for about 15 mins. and then take questions for about 15 mins. It is friendly audience comprised of CCA members.

Please let me know if you need any additional information.

Hope you both are good!

Thank you very much, Marie

Hi David

Thank you for the offer. Unfortunately my restaurateurs have conflicts that morning. One mentioned that he knows your boss "gets it".

I think I'll just try to catch up with David Giron separately for now.

Thanks again for your help.

John

Hello John,

The councilmember is only available on May 15 at 9:30PM. David Giron will start the meeting and then the councilmember will join briefly before he goes to the city council meeting.

Would this work?

Hi David-

I hope you're well.

I would like to set up a meeting on behalf of CCA with the Councilmember so that I can bring in a few of our restaurateur members to meet with him to discuss issues around the minimum wage debate – probably no more than a half hour. I know he's been meeting with restaurants in CD 13, but I would appreciate if we can get a few minutes with him as well. Can we please set something up in the next week or two?

Thank you very much,

John
